

How to Prepare and Submit Your Idea(s) to NatWish

What to prepare

We will need to receive the following information for each idea submitted to NatWish:

1. **Signed Entry Agreement:** We will not review an invention without this signed form.
2. **Brief summary of the invention:** This summary should be longer than the 2-3 sentence description on the entry agreement.
3. **Research, if possible**
 - a) **Competitive shopping:** What similar products are available (check at stores, online, in catalogs, etc., and record your findings)
 - b) **Patent search:** You can do a patent search for free at the United States Patent and Trademark Office's web site, www.uspto.gov or Google Patent Search www.google.com/patents.
4. **Visual of the idea:** Rough sketch, drawing, photo, prototype or video.
5. **Handouts:** For the handouts, include a copy of invention summary and summarized market research, plus any additional information you would like to share.

What should I send if I'm participating by mail?

You should send all of the above items. **AGAIN, WE ASK YOU TO SEND ONLY DUPLICATE MATERIALS, NOT ORIGINALS.** There are no deadlines if you want NatWish to evaluate your idea by mail.

Please send materials to:

**340 Royal Poinciana Way
Suite 317-349
Palm Beach, FL 33480
Phone: 866-611-8755
Fax: 561-584-5895**

NatWish—Entry Agreement

NatWish LLC. is pleased that you (the "Inventor" or "you") have chosen to submit your idea to NatWish. Before you may submit your idea, you must review and agree to the terms and conditions of this Entry Agreement as evidenced by your signature below.

Submitting Products to NatWish

- NatWish agrees to hold in confidence Confidential Information disclosed to NatWish by the Inventor and shall not use for its own use or disclose to others, except as the Inventor's representative, any Confidential Information except for such Confidential Information which (1) has ceased to be secret without default on the part of NatWish; (2) was already in NatWish's possession prior to disclosure by Inventor; or (3) has been received from a third party who did not acquire it in confidence.
- NatWish is evaluating original ideas and inventions with market potential in a variety of categories (each a "New Product Idea").
- You may submit multiple New Product Ideas, but you must submit a separate signed Entry Agreement for each New Product Idea.
- To submit an idea to NatWish, the Inventor must have full ownership of the Inventor's New Product Idea. If there is more than one inventor of the New Product Idea, each inventor must read and sign this Agreement and all references to "Inventor" or "you" in this Agreement will be deemed to refer to such inventors, collectively. Accordingly, the Inventor hereby confirms that: (1) the Inventor is the first and only inventor and creator of the Inventor's New Product Idea; (2) the Inventor owns all rights to the Inventor's New Product Idea; (3) the Inventor has not transferred or licensed such rights (or any interest therein) to anyone else; and (4) to the best of Inventor's knowledge, the Inventor's New Product Idea does not violate the intellectual property or other rights of any third party.

Selection of Products

- New Product Ideas will be selected for representation on the basis of their potential to solve a problem, uniqueness, whether their benefits are easy to understand, patentability, product sales potential and product market size. Any New Product Idea deemed to be tasteless, objectionable or otherwise unacceptable to NatWish may be excluded from consideration in the sole discretion of NatWish.
- After submitting a New Product Idea, the Inventor will grant NatWish an exclusive forty-five (45) day period of time to review and evaluate the New Product Idea. If after the review period NatWish accepts the New Product Idea, then NatWish will ask the inventor to enter into a Representation Agreement with NatWish. If NatWish does not accept the New Product Idea by the end of the 45-day period, then all rights in the New Product Idea will revert to the Inventor and NatWish shall have no further rights whatsoever in the New Product Idea.
- Inventors will be notified whether their New Product Idea(s) have been selected for representation by NatWish. If NatWish has elected to pursue the idea, the Inventor will be asked to sign a Representation Agreement or a Licensing Agreement.
- Inventors entering into a Representation Agreement will grant NatWish a period of one hundred and eighty (180) days to represent the Inventor's New Product Idea for the purpose of NatWish's seeking potential manufacturers to enter into licensing contracts for the use of the New Product Idea. The details of NatWish's representation are more specifically described in the Representation Agreement. If NatWish hasn't licensed or commercialized the New Product Idea by the end of the 180-day period, NatWish will terminate all of its rights, interest and obligations granted to it by the Inventor with respect to the New Product Idea.

General Provisions

- This Entry Agreement must be signed by the Inventor and submitted to NatWish prior to the New Product Idea being considered by NatWish. Due to time and facility constraints, NatWish may not be able to accept some or all submissions. If the Inventor has not reached the age of majority in his/her state of residence (a "Minor"), this Entry Agreement must be signed on the Minor's behalf by his/her parent or legal guardian.
- No illegible, incomplete, forged or altered Entry Agreements will be accepted. NatWish will not be responsible for late, lost, stolen, postage due, incorrect, misplaced, damaged or undelivered mail, notices, Entry Agreements, correspondence, or Inventor prototypes. Moreover, NatWish will not be responsible for missing or damaged prototypes and Inventor material once that material has been received by NatWish. NatWish makes all best efforts to ensure the safety of your material; however, on occasion, material can be lost or damaged during shipping and showing and NatWish cannot be held responsible for loss or damage of any of the submitted materials. NatWish recommends that the Inventor submit only duplicates of all material related to the Invention (including videos, prototypes, drawings, and the like).
- Taxes and fees, if any, and all expenses incurred by Inventor in connection with submitting an Idea, are the sole responsibility of the Inventor.
- This Entry Agreement will be governed by and construed in accordance with the internal laws of the State of Florida (without reference to principles of conflicts or choice of law) and, to the extent applicable, the laws of the United States. In the event of any conflict between foreign laws, rules and regulations and those of the United States, the laws, rules and regulations of the State of Florida and the United States shall govern. Exclusive jurisdiction and venue for any litigation arising under this Entry Agreement is in the federal and state courts located in Florida and the United States and both parties hereby irrevocably consent to such jurisdiction and venue of these courts for this purpose.
- By submitting this Entry Agreement, the Inventor accepts the conditions stated in this Entry Agreement and agrees to be bound by the decisions of NatWish. All decisions by NatWish concerning submissions will be made by NatWish, in its sole discretion, and are binding on the Inventor.
- The Inventor understands and agrees that both NatWish and its corporate clients are involved in the business of researching and developing many ideas for new products. NatWish and/or its corporate clients may have previously received, or may receive third party ideas similar or identical to the Inventor's idea. Inventors agree that submitting an Entry Agreement will not in any way limit NatWish's or its corporate clients' right to use any such similar third party idea as NatWish or its corporate clients deem appropriate and Inventor will not have any claim against NatWish and/or any of its corporate clients with regard to any such use and NatWish and or its corporate clients will owe no obligation or duty whatsoever to the Inventor if an Inventor's idea is not represented or licensed by NatWish or any of its corporate clients and Inventor will have no right to any claim against NatWish and/or its corporate clients for any such use.
- The Inventor agrees that NatWish may, for purposes of documentation and review, at its discretion, photograph, videotape or otherwise record the Inventor, the New Product Idea and/or the proceedings of the submission process and Inventor releases NatWish from any claim he/she may have for the use of the Inventor's name and/or likeness in any such recording.
- This Entry Agreement contains the entire agreement between NatWish and the Inventor concerning its subject matter and supercedes all prior oral or written agreements relating to such subject matter. This Agreement may not be amended or waived except in a written document signed by NatWish and the Inventor.

Please confirm that you have read and that you (Inventor) agree to the terms and conditions of this agreement by completing the requested information section, dating and signing this Agreement where indicated below. Upon acceptance and signature by NatWish, this Agreement will then become a binding Agreement between you and NatWish.

NatWish looks forward to working with you and wishes you good luck!

NATWISH LLC.
